On behalf of the Organizing Committees for the 38th International Conference on Micro Electro Mechanical Systems, we sincerely invite you to begin your preparations to attend and support IEEE MEMS 2025 on January 19-23 in Kaohsiung. We are excited to secure a unique venue in an exceptional location for the meeting, and are preparing a meeting that will deliver technological innovation, opportunities for collaboration and learning, as well as experiences that you'll always remember. The Kaohsiung Exhibition Center (KEC) provides a perfect space for our meeting, with more than 5,000 square meters of column-free building, where a space for over 40 booths situated among the technical posters and also the refreshments breaks, will guarantee a steady flow of attendees to the exhibition area; and provide the preferred location for gatherings and discussions.
